World Travel Awards Recognizes TravelClick for Best-in-Class Booking Engine

TravelClick Wins “Australasia’s Leading Hotel Booking Solutions Provider” at 2018 Awards

NEW YORK, October 25, 2018 – TravelClick, an Amadeus company, today announced that the Company has been awarded “Australasia’s Leading Hotel Booking Solutions Provider” by the World Travel Awards this year.

“Winning this prestigious award for our booking engine in Australasia, based on industry votes, is a validation of our significant investment in and focus on creating best-in-class reservation solutions,” said Curtis Brewer, Senior Vice President, Reservations and Web Solutions, TravelClick. “With TravelClick’s Booking Engine 4.0, hoteliers are not only able to drive more direct bookings with a simple, responsive user experience, but they also can re-engage potential guests that might have abandoned the booking process and make it easy for them to complete their reservation.”

The World Travel Awards (WTA) was established in 1993 to acknowledge, reward and celebrate excellence across all sectors of the tourism industry. Today, the WTA brand is recognized globally as the ultimate hallmark of quality, with winners setting the benchmark to which all others aspire.

“Our team went to great lengths to ensure that this all-in-one hotel booking solution offers a complete solution for hotels, big and small, and we are proud to partner with many of the leading brands in Australasia,” Brewer added.
